AMENDMENT

S I R :

In response to the Office Action dated February 1, 1991, kindly amend the above-referenced application as follows:

In the Claims:

Please amend claim 21 as follows:

21. (Amended) A method for effecting cauterization necrosis of the tissue lining of a mammalian body cavity comprising the steps of:

(a) inserting a distendable bladder into the body cavity;

(b) inflating said distendable bladder to a predetermined pressure with a fluid so that said distendable bladder is in contact with substantially all of the tissue lining for which necrosis is desired;

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to: Commissioner of Patents and Trademarks, Washington, D.C., 20231, on

Date August 1, 1991 Atty's Reg. # 33,804
